There will never
be another one
like you at S.P.H.S.
When you're head
of some big company
one of these days, be sure and give me
a job. Mike P.

Woody,
It really
has been nice
being with you
this year. You are
the kind of guy I look
up to and respect. I was
fun going through basketball
with you, you really did
a good job. Lots of luck
in the future, I'll
see you. Ben Miller

Special Event

The time has come for the announcement of this special event—the opening date of the 1959 Lance, now turning in a third successful year of production.

We, the Lance Staff, have with the greatest of pleasure: directed, produced, and edited this the 1959 Television edition of The Lance. The program is about to start and we, with sincere desire, hope that you will be pleased with this documentary program of the events and personalities of the past year. So sit back, tune in the television set, and enjoy the memories of the past school year 1958-1959, at Southern Pines High School. May they be lasting memories.

THE LANCE

Woody,
Congratulations Mr. President.
You're really a great guy and
the best of luck to you.
Cammie

We have had some
good times at camp.
I enjoyed it very much.
I wish you the very
best of luck and a
great future.

This Is Your Life . . . Mrs. Ruth

Swisher. Yes, the Senior Class of Nineteen Hundred and Fifty-nine has chosen you the star of this third edition of The Lance. As a small token of our appreciation to you, the Senior Class of Nineteen Hundred and Fifty-nine dedicates this, our Lance, to you.

Mr. President

*It's not that you are any better than Billy
Gag it is just that you are luckier.
Best of everything in the future.

Football

The Blue Knights stepped into their second year of eleven-man football this season with many people thinking it would be a so-so season. But they emerged as one of the greatest teams in Southern Pines history. Under coach Irie Leonard and his fine staff, they turned in a 12-1 record, losing only to Andrews, for the State Championship. Aside from boasting an undefeated regular season, they were known as defensive perfectionists, having only 18 points scored against them during the season. The Blue Knights have established themselves among the ranks across the state now and they will return again next year strong.
